This Sublease Agreement shall commence as of the first day of June, 1980 and, unless sooner terminated as hereinafter provided, shall end on the thirty-first (31st) day of May, 1982.

4. *Rental.*

During the term hereof the Tenant shall pay unto Continental as and for rental for the space subleased hereunder, the sum of $70,000 Dollars, payable at the rate of $35,000 per annum in equal monthly installments of $2,916.70 payable in advance on the first day of each and every calendar month during the term hereof, commencing on the first day of the term hereof as established in accordance with paragraph 3 hereof. If the term hereof shall commence or terminate on a day other than the first calendar day of the month, then the rent for such month shall be prorated for such fractional month.

The rental shall be due upon receipt of invoice and shall be payable at the offices of Continental, Los Angeles International Airport, Los Angeles, California 90009, or at such place as Continental shall, from time to time, designate by notice. Any rental or other sum due and payable by Tenant hereunder which is not paid when due shall bear interest at the rate of seven percent (7%) per annum from the due date thereof until paid.

5. (Omitted)

6. *Tax and Insurance Assessment.*

In addition to the rental due and payable hereunder, the Tenant shall pay to Continental an annual assessment as and for insurance and taxes computed as follows:

A. For each and every year during the term hereof, from the aggregate of (i) all ad valorum taxes, including personal property taxes, and special assessments due and payable with respect to the Continental Air Cargo Facility during said year, and (ii) the annual premiums paid by Continental for the fire and extended coverage insurance maintained by Continental during said year pursuant to paragraph 12 hereof, there shall be deducted the sum of $40,000. The remainder therefrom is hereinafter called the "Annual Assessment".

B. The Tenant shall pay to Continental upon invoice its proportionate share of the Annual Assessment as determined by the ratio between (i) the average amount of the Exclusive Space subleased to the Tenant in the Continental Air Cargo Facility during such year, and (ii) the average aggregate amount of space available to be subleased for the exclusive use of all sublessees of, plus the space exclusively occupied by Continental in, the Continental Air Cargo Facility during the same year.

C. Within sixty (60) days from the end of each and every year during the term hereof, Continental shall compute the proration of the Annual Assessment described in subparagraph B of this paragraph 6 and shall invoice the Tenant for its amount of such proration. Payment of the proration shall be due within twenty (20) days of receipt of invoice.

D. Continental agrees to keep and maintain books and records of the insurance and ad valorum tax expenses incurred with respect to the operation of the Continental Air Cargo Facility, and shall submit an annual report to the Tenant in summary thereof accompanying the invoice described in subparagraph C of this paragraph 6.

7. *Subordination.*

This Sublease Agreement is subject and subordinate to all procured or underlying leases and to all mortgages which may now or hereafter affect such leases or the real property of which the Leased Space forms a part, and all renewals, modifications, consolidations, replacements, and extensions thereof. This provision shall be self-operative and no further instrument of subordination shall be required by any mortgagee. In confirmation of such subordination, the Tenant shall execute promptly any certificate that Continental may request, and the Tenant hereby constitutes and appoints Continental as the Tenant's attorney-in-fact to execute and deliver any such certificate or certificates for and on behalf of the Tenant. However, so long as the Tenant is not in default in the payment of rental or in the performance of any of the obligations of the Tenant created hereunder, during the term hereof the Tenant shall have quiet and peaceable possession, use, and enjoyment of the Exclusive Space.

Notwithstanding the foregoing, this Sublease Agreement and the promises and covenants contained herein are subject and subordinate to the Basic Lease, a copy of which has been given to the Tenant; and the Tenant hereby covenants and agrees, for the benefit of Continental and the City, that it shall not, by its use and occupancy of the Leased Space, violate any of the provisions of the Basic Lease and that it shall faithfully perform all of the obligations of the Lessee thereunder insofar, but only insofar, as such obligations relate and pertain to the Leased Space (provided, however, that nothing herein contained shall obligate the Tenant to perform any obligation imposed upon Continental hereunder or to pay rental unto the City which obligations shall be the sole responsibility of Continental).

8. *Services and Utilities.*

Continental shall furnish, without additional cost or expense to Tenant, the services and utilities set forth below; provided, however, Continental shall not be liable for any loss or damage caused by or resulting from any variation, interruption, or failure of said services and utilities arising out of any cause whatever, except if such loss or claim arises exclusively from Landlord's sole gross negligence or wilful misconduct toward Tenant but in the event any such variation, interruption, or failure of said services and utilities shall occur, Continental shall use its best reasonable efforts, exercising due diligence, to cause the resumption of such utilities and services:

A. Portable domestic water in both the Exclusive Space and the Common Space, and sanitary sewer water in the Exclusive Space stubbed to the locations designated by Tenant.

B. Lighting for the Common Space, including, without limitation, such loading dock, ramp, taxiway, and parking lot lighting as Continental shall determine adequate for the common use of the occupants of the Continental Air Cargo Facility.

C. Snow removal from the Common Space, including the loading dock, ramp, taxiway, and parking lot, as required.

D. The gas, electrical, and ventilation systems in the Continental Air Cargo Facility stubbed to the exterior of Tenant's Exclusive Space. All additional gas and electrical fixtures, equipment, and appliances required by the Tenant with respect to the Continental Air Cargo Facility shall be procured and installed by the Tenant at its own cost and expense. All electricity used or consumed by the Tenant, including that used for lighting, shall be separately metered and the cost thereof, including utility connecting charges and deposits, if any, shall be paid entirely by the Tenant. The gas used or consumed at the Continental Air Cargo Facility shall not be separately metered and Continental shall pay the monthly charges therefor, but the Tenant shall reimburse Continental monthly upon invoice for that portion of the gas deemed to have been used or consumed on behalf of the Tenant, including gas used or consumed for heating, as determined by allocating to the Tenant that portion of each monthly gas bill which is equal to the amount of Exclusive Space leased to the Tenant in the Continental Air Cargo Facility during the month to which the gas bill relates as compared with (i) the total amount of space subleased for the exclusive use of all sublessees in the Continental Air Cargo Facility during such month and (ii) the amount of space exclusively occupied by Continental in the Continental Air Cargo Facility during such month.

Continental shall not provide waste disposal service, the responsibility for which shall be the Tenant's; and Tenant agrees to cause the disposal of all waste, debris, and trash attributed to the Tenant, its officers, employees, agents, business invitees, and guests, at such intervals as shall be necessary to keep and maintain the Continental Air Cargo Facility in a clean, sightly, sanitary, and tenantable condition.

9. *Maintenance and Repair.*

A. In addition to the services and utilities to be provided by Continental pursuant to paragraph 8 above, Continental shall maintain and keep the Continental Air Cargo Facility in a tenantable condition and in a good state of repair as follows:

(1) Continental shall maintain and repair all Common Space located at the Continental Air Cargo Facility, including, without limitation, the loading dock, ramp, taxiway, parking lot, and lighting system for the Common Space.

(2) Except to the extent the Tenant is required to perform such maintenance and repair pursuant to the provisions of subparagraph B of this paragraph 9, Continental shall maintain and repair the Continental Air Cargo Facility structure in a workmanlike manner in accordance with good standard building practice.

(3) Except to the extent the Tenant is required to perform such maintenance and repair pursuant to the provisions of subparagraph B of this paragraph 9, Continental shall maintain and repair all systems installed by Continental in the Continental Air Cargo Facility pursuant to the plans and specifications for the Continental Air Cargo Facility and the provisions of paragraph 8 hereof.

B. The Tenant shall maintain and keep the Continental Air Cargo Facility in a tenantable condition and a good state of repair as follows:

(1) The Tenant shall perform all routine maintenance of the Exclusive Space, including such cleaning and janitorial service as shall be necessary, so as to keep and at all times maintain the Exclusive Space in a clean, sightly, sanitary, and tenantable condition.

(2) The Tenant shall maintain and keep in good state of repair all equipment, appliances, fixtures, and furnishings installed or brought upon the Leased Space by the Tenant.

(3) The Tenant shall perform all maintenance and repair of the portion of the Continental Air Cargo Facility located within the Leased Space, or systems located therein, required as a result of or attributed to any negligent act or omission of the Tenant, its officers, employees, agents, business invitees, or guests.

C. In the event the Tenant fails to perform, for a period of twenty (20) days after notice from Continental so to do, any obligation of the Tenant set forth in this paragraph 9, Continental may enter upon the Leased Space (without causing or constituting a termination of this Sublease Agreement and without causing or constituting an interference with the use or possession of the Leased Space by the Tenant) and do all things necessary to perform such obligation, charging to the Tenant the cost and expense thereof and the Tenant agrees to pay Continental such charge in addition to any other amounts payable by the Tenant hereunder; provided, however, if the Tenant's failure to perform any such obligation endangers the safety or use of the Continental Air Cargo Facility by the public, Continental, or the other tenants of the Continental Air Cargo Facility, and Continental so states in its notice to the Tenant, Continental may perform such obligation of the Tenant at any time after the giving of such notice and charge to the Tenant, and the Tenant shall pay, as above provided, the cost and expense of such performance.

10. *Fixtures and Alterations.*

The Tenant may, with the prior written approval of Continental and, if requested by Continental, with the prior written approval of the Commissioner of Aviation and the Commissioner of Public Works of the City, and after obtaining all requisite building or construction licenses or permits, at its own cost and expense, erect or install in or upon the Exclusive Space any machinery, equipment, appliances, fixtures, or improvements or do or make any alterations or remodeling, or perform interior decorating. Any machinery, equipment, appliances, fixtures, improvements, and other property bought, installed, erected, or placed by the Tenant in, on, or about the Exclusive Space shall be deemed to be personalty and remain the property of the Tenant, and the Tenant shall have the right, at any time during the term of this Sublease Agreement, to remove any or all of its property, subject to the Tenant's obligation to repair damage, if any, resulting from such removal. The Tenant shall, upon cancellation or termination of this Sublease Agreement, or at any other time it removes any such property, restore the Exclusive Space leased hereunder to the condition as it existed at the beginning of the term hereof, ordinary wear and tear and damage by fire or other casualty covered by the insurance described in paragraph 12 hereof excepted.

11. *Indemnity.*

The Tenant covenants and agrees at all times to indemnify and hold Continental harmless from and against any and all claims, suits, demands, liabilities, judgments, loss, costs, damages, penalties for violation of any law, ordinance, or regulations affecting Tenant's operations, and expenses of any nature whatsoever (including the cost of investigating and defending any alleged suits, claims, demands, liability, judgments, loss, costs, damages, penalties, and expenses, and attorney's fees and expenses incurred in connection therewith) which may directly or indirectly arise from or be claimed against Continental by any person or persons for any loss of or damage to property, or injury to, including death, of any person whomsoever, consequent upon, or arising from or out of the operation, use, or occupancy of the Leased Space by the Tenant, its officers, employees, agents, business invitees, or guests, or resulting from the carelessness, negligence, or improper conduct of the Tenant, its officers, employees, agents, business invitees, or guests in the use and occupancy of the Leased Space, except when any such claim, suit, demand, liability, judgment, loss, cost, damage, penalty, or expense is the direct result of the sole negligence of Continental, its officers, employees, agents, business invitees, or guests, or the joint negligence of Continental and any person, firm, or corporation other than the Tenant, its officers, agents, employees, business invitees, and guests.

In addition thereto, the Tenant agrees to indemnify and hold the City harmless from and against all liabilities, judgments, costs, damages, penalties, and expenses which may accrue against, be charged to or recoverable from the City by reason or on account of damage of the property of, injury to, or death of any person, arising from the Tenant's use and occupancy of the Leased Space, and operations at the Airport, including acts of its agents, contractors, and subcontractors, except when caused by the sole negligence of the City or by the joint negligence of the City and any person other than the Tenant, its agents, contractors, and subcontractors.

12. *Fire Insurance and Restoration.*

Continental shall obtain and maintain in full force and effect at all times during the term hereof, or any extension or renewal thereof, a policy or policies of fire and extended coverage insurance covering the Continental Air Cargo Facility in an aggregate amount not less than eighty percent (80%) of the full insurable value thereof.

If, during the term hereof, or any extension or renewal thereof, the Continental Air Cargo Facility shall be destroyed or damaged in whole or in part by fire or other cause, Continental shall promptly cause the same to be repaired, replaced, and rebuilt, with and to the extent of the insurance proceeds available, at least to the extent of the value and as nearly as possible to the character of the Continental Air Cargo Facility existing immediately prior to such occurrence. Rental otherwise due and payable hereunder shall be ratably abated with respect to that portion of the Exclusive Space, if any, rendered untenantable as a result of such occurrence for and during the period of time Continental is restoring or rebuilding the Continental Air Cargo Facility subsequent to such damage or destruction, unless such damage or destruction is due to any malfeasance, misfeasance, or nonfeasance of the Tenant, its officers, employees, agents, business invitees, or guests. Nothing contained herein shall be deemed to create any obligation upon Continental to carry and maintain insurance coverage on any of the equipment, furnishings, and contents located within the Leased Space including, without limitation, ground equipment, air cargo, and air cargo handling equipment, all of which shall be the sole liability and responsibility of the Tenant.

13. *Insurance.*

The Tenant further covenants and agrees that, during the term of this Sublease Agreement, it will procure and maintain in full force and effect, at its own cost and expense, policies of insurance of the types and minimum amounts set forth below issued by a company or companies of sound and adequate financial strength acceptable to Continental and the City and naming Continental and the City as additional assureds thereunder.

Aircraft Public Liability and Property Damage

$100,000,000 single limit

Comprehensive Public Liability and Property Damage

$100,000,000 single limit

All such insurance shall be evidenced by a certificate or certificates of insurance delivered to Continental, shall contain a thirty (30) day notice of cancellation clause, and shall contain a provision waiving rights of subrogation against Continental and the City.

14. *Rules and Regulations.*

The Tenant shall at all times observe and obey all rules and regulations governing the conduct and operation of the Airport (as the same apply to the Continental Air Cargo Facility, and the Tenant's use and occupancy thereof) promulgated from time to time by the City. In addition thereto, Continental shall have the right at any time, and from time to time, to establish, modify, and enforce reasonable rules and regulations with respect to the Continental Air Cargo Facility and the cargo area adjacent thereto, and the Tenant shall faithfully observe and obey all such rules and regulations; provided, however, such rules and regulations shall not be inconsistent with any applicable rules and regulations promulgated by the City.

15. *Assignment or Sublease.*

The Tenant may assign and delegate this Sublease Agreement and the rights and obligations created hereunder to any corporation into or with which the Tenant may hereafter merge or consolidate, or which may succeed to the business and assets of the Tenant. The Tenant may further assign and delegate or sublease this Sublease Agreement, the rights and obligations created hereunder, and the premises leased hereby, to any wholly-owned subsidiary or affiliated corporation of the Tenant, in which event the Tenant shall remain primarily liable for the payment of rentals and the performance of all the other obligations of the Tenant created hereunder. Except as provided above, this Sublease Agreement and the rights and obligations created hereunder shall not be assignable or delegable by the Tenant, and any attempt to so assign or delegate shall be null and void.

With the prior written consent of Continental and the City, the Tenant may sublease the Exclusive Space at a monthly rental rate not to exceed an amount equal to the Tenant's expenses with respect to the Exclusive Space so subleased and facilities and services furnished by the Tenant to, and used by, its sublessee in connection therewith. In the event only a portion of the Exclusive Space is so subleased, it shall be subleased at a monthly rental rate not to exceed a ratable apportionment, on a square foot basis, of the monthly rental rate which would obtain if all of the Exclusive Space was subleased.

It is mutually understood and agreed that nothing contained in this Sublease Agreement is intended, or shall be construed, as in any way creating or establishing the relationship of copartners or joint venturers between the parties hereto or as constituting the Tenant as the agent or representative of Continental for any purpose or in any manner whatsoever.

16. *Remedies Upon Default.*

If any of the following events shall occur:

A. if any voluntary or involuntary petition in bankruptcy or insolvency, or any assignment for the benefit of creditors, or a receiver, shall be made, filed, or appointed by or against the Tenant, or if the Tenant's leasehold interest in the Leased Space shall be levied upon under execution or attachment by any process at law or in equity;

B. if the Tenant shall abandon the Leased Space;

C. if the Tenant shall default in the prompt payment to Continental of rent reserved hereunder, and such default shall continue for a period of twenty (20) days after notice of such default is given by Continental to the Tenant; or,

D. if the Tenant shall default in the prompt and full performance of any other term, covenant, or condition of this Sublease Agreement, and such default shall continue for a period of twenty (20) days after notice of such default is given by Continental to the Tenant, unless the default is of such a nature that the same cannot be cured or corrected within said twenty (20) day period and the Tenant shall have promptly and diligently commenced to cure and correct such default and shall have thereafter continued therewith with reasonable diligence and in good faith, in a manner so as to cure and correct the same as promptly as reasonably practicable under the circumstances, and shall have continued therewith until the default shall have been cured and corrected;

then, and in any such event (all of which are herein collectively called "Events of Default"), all unpaid rent reserved by Continental hereunder shall immediately become due and payable; and, in addition thereto, Continental may exercise any of the following remedies or any other remedy available to Continental at law or in equity without further notice and without any further demand or other action by Continental, all of which the Tenant expressly waives, and all such remedies shall be cumulative and non-exclusive and the exercise of any one or more such remedies shall not be deemed to be an exclusive election of the remedy or remedies exercised or a waiver of the remedies not exercised, to wit: Continental may bring an action at law or in equity to collect the balance of the unpaid rent reserved hereunder; may terminate this Sublease Agreement and the rights of the

Tenant created hereunder and recover damages substained by the Event of Default; without terminating this Sublease Agreement, may terminate the Tenant's right to possession of the Leased Space; and with or without terminating this Sublease Agreement, may re-enter and repossess the Leased Space, and dispel and remove the Tenant and its property therefrom, using such force as may reasonably be necessary without being deemed guilty of trespassing, forceful entry or detainer and without relinquishing its right to the rent reserved hereunder, and without causing forfeiture of changes due by virtue hereof, nor a waiver of any covenant, agreement, or promise contained in this Sublease Agreement, to be performed by Tenant (the Tenant hereby granting Continental full and free license to so enter upon the Leased Space with or without notice, demand, and process of law). Upon and after entry into possession, without terminating this Sublease Agreement, Continental may in its sole discretion further resublet the Leased Space or any part thereof for the account of the Tenant to any person, firm, or corporation for such rent, and upon such terms and conditions as Continental may in its sole discretion determine; and the rent collected by Continental from such resubletting shall first be applied to reimburse unto Continental all costs and expense incurred in connection with the resubletting of the Leased Space, including any and all reasonable costs and expenses incurred in repossessing the Leased Space from the Tenant, and the balance, if any, shall be applied to the rent reserved herein and any deficiency therein shall be the liability and obligation of the Tenant.

17. *Remedies Upon Default of Continental.*

The Tenant shall have the right, upon giving notice to Continental, to cancel this Sublease Agreement upon or after the default of Continental in the performance of any of the terms, covenants, or conditions to be performed by Continental hereunder and the failure of Continental to cure and correct said default within sixty (60) days following receipt by Continental of written demand from the Tenant so to do; provided, however, that if the default is of such a nature that the same cannot be cured or corrected within said sixty (60) day period and if Continental shall have commenced the curing and correcting of such default within said sixty (60) days and shall have proceeded therewith, with reasonable diligence and in good faith, in a manner so as to cure and correct the same as promptly as reasonably practical under the circumstances, then, and in that event, no notice of cancellation given pursuant to the provisions of this paragraph 17 shall be of any force or effect. Except as provided above in this paragraph 17, this Sublease Agreement, and the obligations of the Tenant created hereunder, shall not be cancellable or terminable by the Tenant for any cause whatever.

18. *Equal Opportunity.*

Tenant, in performing under this Sublease Agreement, shall not discriminate against any worker, employee, or applicant, or any member of the public, because of race, creed, color, religion, age, sex, or national origin, nor otherwise commit an unfair employment practice.

Tenant will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, creed, color, religion, age, sex, or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination, rates of pay or other forms of compensation; and selection for training, including apprenticeship.

Tenant agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause. Tenant further agrees that this clause will be incorporated in all contracts entered into with suppliers of materials or services, contractors and subcontractors and all labor organizations, furnishing skilled, unskilled and craft union skilled labor, or who may perform any such labor or services in connection with this Sublease Agreement.

19. *Liens.*

The Tenant shall at all times keep and maintain the Leased Space and improvements situated thereat free and clear of any and all liens, charges, and encumbrances whatsoever arising out of Tenant's use of the Leased Premises or in any manner attributed to any act or omission of the Tenant, its officers, agents, and employees, or relating to any work or improvements performed on or to the Leased Space by or on behalf of the Tenant, its officers, agents, and employees; and shall not mortgage, pledge, or in any manner hypothecate this Sublease Agreement; provided, however, the Tenant may, in good faith, contest the validity of any lien but, notwithstanding any such contest, if any lien so contested shall be reduced to final judgment and such judgment or such process as may be issued or the enforcement thereof is not promptly stayed or is so stayed and said stay thereafter expires, then, and in any such event, the Tenant shall forthwith entirely pay and discharge said judgment.

In addition to the rent and charge hereinabove described, Tenant shall pay all fees, charges, license fees, and taxes of whatever nature, if necessary, as required by law or ordinance of the City.

20. *Notices.*

Notices and other communications given hereunder shall be in writing and shall be deemed to have been given and delivered when deposited in the United States Mail, registered or certified, with airmail postage prepaid, or delivered to a telegraph agency for immediate dispatch, and addressed, if to Continental, to:

Continental Air Lines, Inc.

or to such other address as the respective party shall from time to time designate in writing to the other party.

21. *Ingress and Egress.*

Continental grants to the Tenant, its officers, employees, agents, business invitees, and guests the right of access, ingress, and egress to and from the Continental Air Cargo Facility over such routes as shall be approved by the Commissioner of Aviation and the Commissioner of Public Works of the City, to the same extent and subject to the same conditions and restrictions as shall be available and applicable to Continental and the other occupants of the Continental Air Cargo Facility.

22. *Binding Agreement.*

Subject to the provisions of paragraph 15 hereof, this Sublease Agreement and the rights and obligations created hereunder shall be binding upon and inure to the benefit of the respective parties hereto, their successors, and assigns.

23. *Surrender of Possession.*

Upon termination of the initial term, or any extension, of this Sublease Agreement, the Tenant shall forthwith surrender the Leased Space to Continental in good condition and repair, reasonable wear and tear and damage from any casualty not arising out of a negligent act or omission of the Tenant, its officers, employees, agents, business invitees, or guests, excepted; and if the Tenant shall retain possession of the Leased Space, or any part thereof, after the termination of the term, by lapse of time or otherwise, the Tenant shall pay to Continental all damages sustained by reason of the Tenant's retention of possession. Further, if the Tenant so remains in possession of the Leased Space, or any part thereof, such holding over shall, at the election of Continental, to be made by notice to the Tenant and not otherwise constitute a renewal of this Sublease Agreement for an additional one (1) year period. The provisions of this paragraph 23 shall not be construed to waive Continental's right of re-entry or any other right in Continental hereunder.

24. *Miscellaneous.*

A. In the event any covenant, phrase, clause, paragraph, section, condition, or provision herein contained is held to be invalid by any court of competent jurisdiction, the invalidity of any such covenant, phrase, clause, paragraph, section, condition, or provision shall in no way affect any other covenant, phrase, clause, paragraph, section, condition, or provision herein contained.

B. Captions and paragraph headings used herein are for the convenience of reference only and are not intended to define, limit, or describe the scope or intent of any of the provisions of this Sublease Agreement.

C. A waiver by either party hereto of a breach by the other party of any covenant, condition, or other provision contained herein shall not be deemed to be a waiver of any subsequent breach of the same or any other covenant, condition, or other provision and shall not in any way excuse or relieve the other party from its obligations and responsibilities created hereunder.

D. The Tenant shall have the right to install and maintain signs, provided that all signs so installed shall be limited to those which advertise air transportation, and the number, general type, size, design, and location of such signs shall be subject to the approval of Continental and the Commissioner of Aviation of the City.

E. This Sublease Agreement embodies and constitutes the entire understanding among the parties with respect to the transactions contemplated herein, and supersedes all prior or contemporaneous representations, understandings, subleases, or agreements, whether oral or written. Neither this Sublease Agreement nor any provision hereof may be waived, modified, amended, discharged, or terminated except by an instrument in writing signed by the party against which the enforcement of such waiver, modification, amendment, discharge, or termination is sought, and then only to the extent set forth in such instrument. No partial invalidity of this Sublease Agreement shall affect the remainder.

25. *Governing Law.*

SECTION 2. This ordinance shall be in force and effect from and after its passage.

Execution of Agreement Authorized Between City and Chicago Union Station Company for Reconstruction of Randolph Street Viaduct Between Canal Street and Chicago River.

The Committee on Finance submitted a report recommending that the City Council pass the following proposed ordinance transmitted therewith:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Mayor is authorized to execute, the City Clerk to attest, the Commissioner of Public Works and the Comptroller to approve, and the Corporation Council to approve as to form and legality, an Agreement between the City of Chicago and the Chicago Union Station Company for the construction of the Randolph Street Viaduct, said Agreement to be substantially in the following form:

This Agreement made and entered into as of .... 1980, by and between the City of Chicago, a municipal corporation, hereinafter referred to as the "City", Party of the First Part, and the Chicago Union Station Company, hereinafter referred to as the "Company", Party of the Second Part,

WITNESSETH:

That, Whereas, Randolph Street as presently located and constructed in the City of Chicago extends over the Company's main line tracks by means of a highway overpass structure at a location between Canal Street and the Chicago River; and

Whereas, the said highway overpass structure was originally constructed in 1920 in accordance with the Chicago Union Station Company Ordinance adopted by the City Council of Chicago on March 23, 1914; and

Whereas, in the interest of public safety and convenience, the parties hereto propose to remove and reconstruct the said overpass structure substantially as shown on the contract plans and described in the specifications as prepared by the City; and

Whereas, the approval of the Illinois Commerce Commission is required for the reconstruction of the existing overpass structure in the manner herein proposed.

Now, Therefore, in consideration of the premises and of the mutual covenants and agreements hereinafter contained, the parties hereto agree as follows:

Section 1. The Company agrees to the extent of its right, title and interest to permit the removal, reconstruction and maintenance of the existing highway overpass structure over and across its tracks and right of way without compensation other than the performance of this contract by the City.

After the Federal or State representatives have audited the expenses as incurred by the Company, including such items of expense as may have been suspended from any previous payment, the City shall promptly reimburse the Company for the retained percentages and suspended items of expense, less the deduction of any item (or items) of expense as may be found by the Federal or State representatives as not being eligible for reimbursement. If the total of the item (or items) of expense as may be found by the Federal or State representatives as not being eligible for reimbursement exceeds the retained percentage plus any items of expense which may have been suspended, then the Company shall promptly reimburse the City for the overpayment.

Section 20. It is understood that the project herein contemplated shall be subject to all appropriate Federal laws, rules, regulations, orders and approvals pertaining to all agreements, plans, estimates, specifications, award of contracts, acceptance of work and procedure in general. The City will reimburse the Company as hereinbefore provided, for only such items of work and expense, and in such amounts and forms as are proper and eligible for payment.

Section 21. Company agrees to and does hereby waive any claim of ownership in and to the said viaduct structure now or hereafter existing in Randolph Street, between Canal Street and the Chicago River, and hereby quit claims unto the City its right, title or interest, if any, in the existing structure.

Section 22. This agreement shall be binding upon the parties hereto, their successors or assigns.

LADIES AND GENTLEMEN—I return herewith, without my approval, an ordinance amending Chapter 25.1 of the Municipal Code of the City of Chicago, passed January 13, 1981.

Accordingly, I have this day directed the Commissioner of the Department of Personnel to continue to enforce all of the provisions of the Chicago personnel ordinance without the exemption created by the ordinance hereby vetoed.

My reason for withholding my approval of the ordinance is that civil service has a long and honorable tradition in the City of Chicago, one which I believe is respected not only by all of the citizens of the City but also by all of the members of the City Council. I have a deep and abiding commitment to the maintenance of the highest and most professional standards for City employees. To that end I have sought the advice of outside consultants. It is therefore my intention, at the appropriate time, to transmit to you recommendations affecting the personnel operations of the City government which will maintain high standards of excellence, insure broad participation, and provide needed and deserved protection for employees. At that time, under your procedures, hearings may be held to highlight considerations and resolve disagreements, through open and public involvement. Our citizens are entitled to no less.

Mayor.

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Commissioner of Aviation and the City Comptroller, subject to approval as to form and legality of the Corporation Counsel, are authorized to execute in behalf of the City of Chicago an agreement with Tele-Trip Company, Inc., at Chicago-O'Hare International Airport, said agreement to be in the following form:

This agreement made this .... day of ...., 1980 by and between the City of Chicago, hereinafter sometimes referred to as the "City", and Tele-Trip Company, incorporated, a corporation organized and existing under and by virtue of the laws of the State of Delaware and duly qualified to do business within the State of Illinois, hereinafter referred to as the "Concessionaire".

WITNESSETH:

In consideration of the mutual undertakings herein and the considerations and detriments to each party hereto arising herefrom, it is agreed that:

Scope of the Concession

1. The Concessionaire shall provide for the traveling public and others utilizing any and all of the passenger terminals presently or in the future located at Chicago-O'Hare International Airport, facilities for the sale and purchase of insurance covering the risks of travel. The City does not by reason of this Agreement become a partner with the Concessionaire and the employees engaged by the latter are its employees and not those of the City.

2. The City agrees to furnish to the Concessionaire space for no more than two counters in each passenger terminal presently or in the future located at Chicago-OHare International Airport and grants to Concessionaire the use and occupancy of Area D28-U1 containing 478 square feet located at Chicago-O'Hare International Airport, all as outlined on Exhibit A-D attached hereto and by this reference made a part hereof, Area D28-U1 is to be used by the Concessionaire solely as an office and employee lounge. These locations may be changed, increased or decreased as directed by the Commissioner of Aviation. The City further agrees to furnish to the Concessionaire, without

charge, space for the operation of electrical policy vending machines for sale of schedule airlines-ticker accident insurance if the Commissioner of Aviation and the Concessionaire shall mutually agree that traffic conditions and the proper service to the public shall require such machines to be installed.

3. The Concessionaire shall operate this concession with trained and properly licensed personnel only. This agreement shall not be assignable or transferable, nor shall any of the obligations hereunder be performed by a subcontractor without the written consent and approval of the Commissioner of Aviation, provided, however, that such prohibition of the employment of subcontractors shall not apply to the construction, maintenance, decoration or cleaning of the facilities to be provided hereunder by the Concessionaire or the machinery and equipment utilized in the provision and operation thereof.

4. The term of this agreement shall be for three (3) years beginning on the ...... day of ...., 1981, the date of approval of the authorizing ordinance by the City Council and terminating on the ...... day of ...., 1984. This agreement shall not be cancelled by either party except for cause.

Payments to the City

5. (a) The Concessionaire shall pay to the City 15% of its gross receipts from the sale of insurance or a guaranteed minimum as follows, whichever amount shall be the larger:

1st contract year:	$100,000
2nd and subsequent year:	eighty (80%) percent of the amount due the previous contract year.

(b) The Concessionaire shall pay, in addition to the payments required under paragraph 5 (a) as above, the sum of Seven Thousand Six Hundred Forty-eight and no/100 Dollars ($7,648.00) annually, payable monthly, in advance, in the sum of Six Hundred Thirty-seven and 33/100 Dollars ($637.33) for the lounge/office area and Five Thousand Nine Hundred Four and no/100 Dollars ($5,904.00) annually, payable monthly, in advance, in the sum of Four Hundred Ninety-two and no/100 Dollars. ($492.00) for the combined counter space in the three terminals.

In the event that this contract shall terminate or be terminated in accordance with its terms, the minimum payment provided above for the year of termination shall be reduced by an amount equal to the minimum payment hereinabove specified for the year of termination multiplied by a fraction, the numerator of which shall be the number of calendar months remaining in the year of termination following the first day of the calendar month next following the effective date of such termination and the denominator of which shall be twelve (12).

In the event that the airport shall be closed for any period of time by any order of Court or direction of the City, or any other governmental authority or agency, or by any order or direction of any court of competent jurisdiction, the minimum guarantee rentals shall abate for the period of such closing.

6. (a) The guaranteed minimum shall be prorated on a monthly basis and paid in advance on the first day of each month during the term of this agreement. The Concessionaire shall furnish to the Comptroller of the City, with a copy to the Commissioner of Aviation, on or before the 15th day following the last day of each calendar month during the term of this agreement, a statement, acceptable in such manner to said Comptroller, of the gross receipts from the sale of insurance for the previous calendar month.

(b) Concessionaire shall at the same time pay any amount by which the payment due computed on the basis of the percentage specified in Paragraph "5" hereinabove may exceed the guaranteed minimum, as prorated, for that month. If the monthly proration shall result in an over-payment at the end of any calendar quarter, the Concessionaire shall be entitled at its option to a credit against the amounts due hereunder for the first and each succeeding calendar month of the following quarter until such credit shall be exhausted, or to a payment thereof by the City to the Concessionaire within twenty days after such over-payment shall be finally determined. An annual adjustment shall be made by payment by the indebted party within thirty days after the end of the year.

(c) Concessionaire agrees to maintain an adequate and reasonable system of internal control to insure that sales are properly reported to the City. The internal controls should include features normally employed by well managed retailers. The internal control procedure must be described by the Concessionaire in writing and submitted to the City Comptroller prior to the effective date of this agreement. Any changes to the internal controls must be reported to the City Comptroller in writing thirty (30) days prior to the effective date of change. The City Comptroller has the authority to require additional internal controls or procedures as he deems appropriate.

(d) The term "gross receipts" shall exclude Federal, State, municipal or other governmental excise taxes (except federal manufacturer's excise taxes), use, sales privilege or retailer's occupation taxes now or hereafter imposed and collected by Concessionaire directly from patrons or customers, or as a part of the price of any services or displays and paid over in turn by the party so collecting to any governmental agency; (but this provision shall not excuse the Concessionaire from paying to governmental agencies all taxes for which it may be liable to them).

(e) Within 120 days of the signing of this lease, Concessionaire shall furnish the City with a written statement indicating Concessionaire's election to report either on a calendar year or fiscal year basis; such letter shall explain the Concessionaire's fiscal year if elected. Within 120 days after the close of each calendar or fiscal year, as previously elected, or the termination of the agreement through passage of time or otherwise, the Concessionaire will provide the City with a "Statement of Sales", representing sales and rents by month for the period being reported on, together with an opinion thereon of an independent certified public accountant. The Concessionaire must inform the City of the identity of the independent certified public accountant prior to the close of such calendar or fiscal year and such independent certified public accountant must be acceptable to the City.

(f) The following is an example of an opinion which would satisfy these requirements:

"We, a firm of independent certified public accountants have examined the accompanying statement of sales and rents reported to the City of Chicago by Tele-Trip Company for the year ended .... relating to the flight insurance at Chicago-O'Hare International Airport pursuant to a lease between the City of Chicago and Tele-Trip Company dated ...., Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying statement of sales and rents, showing gross sales of ...., and total rents of .... presents fairly the amount of gross sales and rentals, as defined in the lease, for the year ended ...."

(g) If the opinion of the independent certified public accountant is qualified or conditional in any manner, the City Comptroller has the right to cause an audit to be performed at Concessionaire's expense.

(h) Concessionaire shall, upon request, furnish such other further financial or statistical reports as the City may, from time to time, require.

Books, Records and Accounts

7. The Concessionaire shall:

(a) Maintain, in accordance with accepted practice, during the term of this agreement and for three years after the termination and expiration thereof, and for a further period extending until the City Comptroller shall give written consent to the disposal thereof, records and books of account recording all transactions at, through, or in any way connected with the operation of its concession at Chicago-O'Hare International Airport. Upon request from the City Comptroller, such books of account and records shall be made available to the City Comptroller at a convenient location within the City of Chicago, Illinois. All records, methods of accounting and cash registers used by the Concessionaire shall be approved by the City Comptroller.

(b) Permit in ordinary business hours during the term of this agreement, and for any period thereafter during which such records shall be maintained in accordance with subparagraph 7 (a) hereof, the examination and audit by the officers, empoyees and representatives of the City of such records and books of account.

(c) Charge travelers for trip and related flight insurance as follows:

> those rates which are currently in effect for the policies offered for sale, as approved by the Illinois Department of Insurance.

Concessionaire agrees that no change in the rate of insurance will be made without the written approval of the Commissioner of Aviation first obtained, which changes must have been previously authorized by the Illinois Department of Insurance, and

(d) Maintain on file in the office of the Commissioner of Aviation copies of all policies being sold at Chicago-O'Hare International Airport. The Commissioner of Aviation shall have the right to approve the use of all such policies and the underwriters of all insurance coverages provided hereunder of which Mutual of Omaha is not the underwriter.

Undertaking of the City

8. The City shall, subject to available funds:

Provide general illumination and heat where it shall be available for the space occupied by the Concessionaire under this agreement in the terminal buildings, and provide electrical current to the extent needed by the Concessionaire to operate electrical insurance vending and accounting machines and devices reasonably required by the Concessionaire in the operation of the concession, and as approved by the Commissioner of Aviation of the City; provided, however, the cost for any electrical wiring connections or equipment, required to be installed from the City's electrical sources to the various machines and devices shall be borne by Concessionaire.

Undertaking of the Concessionaire

9. The Concessionaire covenants and agrees:

(a) To display no signs, advertising or similar matter, unless prior written approval has been obtained from the Commissioner of Aviation.

(b) Not to assign this agreement, nor to sublet all or any part of the premises to be occupied or used hereunder, without the written consent of the Commissioner of Aviation.

(c) To observe and obey all rules and regulations which are now in force or which may from time to time during the term of this agreement be promulgated by the Commissioner of Aviation or other lawful authority for the care, operation, maintenance and protection of the Airport.

(d) To permit the City, by its authorized representatives, to enter the premises hereunder provided to the Concessionaire for the purpose of inspecting or maintaining such premises.

(e) That at the termination of this agreement, the Concessionaire will peaceably yield up to the City the premises in good repair in all respects, reasonable use and wear excepted.

(f) To provide, at its own cost and expense, all counters and other facilities and equipment necessary for the conduct of the concession herein granted, and any improvements, alterations and additions to such, including the installation of additional utility lines; provided, however, that alterations to existing facilities and construction of new facilities, including installations requiring utilities, shall be made only after prior written approval therefor has been obtained from the Commissioner of Aviation.

(g) Not to engage in any other business at the Airport other than the specified in this agreement.

(h) To provide service to the public twenty-four hours a day at such locations as the Commissioner of Aviation may specify and to make available to the public air-travel insurance at premiums and with coverage, as to amount and risk, equivalent to that available under like concessions at other major airports in the United States of America.

(c) Permit the City right of entry to maintain existing or future heating, water, gas, electricity, sewerage, drainage, sprinkler, ventilating, refrigerating, fuel and communication systems and other service systems, including all tubes, pipes, lines, mains, wires, conduits, ducts, trunks and equipment on or about the premises occupied by the Concessionaire and to construct or install over, in, on or under such premises such systems and equipment as aforesaid; provided however, that the same shall be accomplished at a time and in a manner so as to interfere as little as possible with the Concessionaire's operation.

(d) Concessionaire covenants and agrees to keep said premises and improvements situated thereat free and clear of any and all liens in any way arising out of the use thereof by Concessionaire.

(e) Assume all risks incident to, or in connection with its business to be conducted hereunder, and the Concessionaire shall indemnify, defend and hold harmless the City from any penalties for the violation of any law, ordinance or regulation affecting or having application to and in the operation of the concession hereunder, and from any and all claims, suits, losses, damage or injuries to persons or property of whatsoever kind or nature arising directly or indirectly out of the operation of such business or resulting from carelessness, negligence or improper conduct of the Concessionaire or its agents or employees.
